SUBJECT: Fraser Subcommittee Briefing - 3 August 1978

Following is a list of people outside the Fraser Subcommittee staff who have expressed a desire to attend this briefing. All are in possession of Top Secret clearances. From the Far East Subcommittee of the House International Relations Committee: Ed Palmer, John Holstein, Chris Nelson, Jim Przysup. From Congressman Goodling's personal staff: Garner Peckham and Jeffrey Salmon. The latter two have been working on foreign affairs matters for Congressman Goodling.

Please let me know immediately if there is any objections to the attendance of any of these individuals. I will transmit a draft of the statement which we will have Chairman Fraser read at the opening of the hearing separately.
